PROFESSIONAL SUMMARY

UI/UX Designer with 2+ years of experience delivering end-to-end digital products — from user research and wireframing to high-fidelity prototypes and design systems. Skilled in Figma and Adobe Creative Suite, with a strong foundation in graphic and brand design. Passionate about crafting interfaces that are both visually compelling and user-centered, with hands-on experience across SaaS, mobile apps, fintech, and conversational UI.

SKILLS

Design Tools: Figma, Adobe Illustrator, Adobe Photoshop, Canva

UI/UX: Wireframing, Prototyping, User Flows, Design Systems, Responsive Web Design

Visual Design: Brand Identity, Social Media Design, Typography, Color Theory

Other: HTML/CSS (basic), AI-assisted Design Workflows

EXPERIENCE

Social Media Post Designer

May 2026 – Present

[Adnova](#)

- Design engaging social media content for multiple client brands across Instagram, Facebook, and LinkedIn.
- Develop reusable post templates and brand-consistent visual systems in Canva and Figma.
- Collaborate directly with the creative lead to maintain brand voice and visual identity across campaigns.

UI/UX Designer

March 2026 – May 2026

[YNC Pakistan \(Pvt.\) Ltd.](#)

- Designed full end-to-end UI/UX for 'Faith Before Face,' a values-based dating app — covering user flows, wireframes, and high-fidelity screens.
- Contributed to branding and visual identity projects for agency clients.
- Worked in a fast-paced agency environment, meeting tight creative deadlines.

User Experience Designer (Intern)

March 2026 – May 2026

[Rhombix Technologies](#)

- Completed UI/UX tasks including user interface design and experience improvements for assigned projects.
- Gained hands-on exposure to professional design workflows and collaborative team processes.

UI Designer

January 2026 – May 2026

[Mercury Sols](#)

- Designed user interfaces for client-facing digital products.
- Developed skills in professional office workflows, design handoff, and cross-team communication.

Freelance UI/UX & Graphic Designer

April 2020 – Present

[Fiverr & Upwork](#)

- Delivered 50+ design projects for international clients across UI/UX, branding, and social media design.
- Currently designing UI/UX for an Aerospace WhatsApp Chatbot — a conversational interface for aviation services.
- Previously designed TravelAssist, a parametric travel insurance chatbot UI for the Nigerian market.
- Maintained consistent 5-star client satisfaction through clear communication and timely delivery.

KEY PROJECTS

- **Aerospace WhatsApp Chatbot UI** — End-to-end conversational UI design for an aviation services chatbot. (Freelance — In Progress)
- **Faith Before Face — Dating App** — Full UI/UX design for a values-driven matchmaking mobile app. (YNC Pakistan)
- **PIA Website Redesign** — UI/UX case study reimagining Pakistan International Airlines' web experience with modern design principles.
- **TravelAssist — Insurance Bot UI** — Parametric travel insurance chatbot interface designed for the Nigerian market. (Freelance)
- **Luminary Design System** — Dark-theme component library and design system built in Figma with glassmorphism and systematic token structure.
- **Khaadi E-Commerce UI** — Mobile-first redesign of a fashion e-commerce product listing and checkout experience.
