Education

Vellore Institute of Technology Bhopal

Expected May 2026

Integrated M.Tech in Computer Science & Engineering (Computational and Data Science) CGPA: 7.73

Bhopal, India

Govt. Excellence School, Ashta

2021

Higher Secondary Certificate Percentage: 71.2%

Ashta, India

Govt. Excellence School, Ashta

2019

Secondary School Leaving Certificate Percentage: 73.8%

Ashta, India

Technical Skills

Languages: Python, SQL, Java, HTML, CSS, JavaScript

Frameworks/Libraries: Pandas, NumPy, Scikit-learn, Matplotlib

Tools: Power BI, MySQL, PowerPoint

Core Skills: Data Analysis, Machine Learning

Experience

Jindal Stainless

Oct 2024 – Dec 2024

Data Analyst Intern

India

- Analyzed large-scale datasets to derive actionable business insights.
- Designed interactive Power BI dashboards showcasing key performance indicators.
- Automated data preprocessing workflows, improving data accuracy and reporting speed.

Projects

AgroKisan | Flask, Machine Learning

Oct 2025 – Dec 2025

- Developed a smart agriculture platform delivering real-time data and actionable insights to farmers.
- Built a crop recommendation system using scikit-learn and pandas achieving 91% accuracy.
- Implemented a CNN-based apple leaf disease detection model using PyTorch with 89% accuracy.
- Automated real-time and historical commodity price tracking using BeautifulSoup and Selenium.

Book Recommendation System | Python, Machine Learning

June 2025 – Aug 2025

- Processed and transformed a dataset of 200,000+ books using advanced data wrangling techniques.
- Developed a recommendation engine to suggest books based on user preferences and reading patterns.
- Provided insights into popular genres and personalized discovery trends.

Fin-Don | Python, Data Analysis

Mar 2025 – Apr 2025

- Built a classification model to predict income levels with 87% accuracy for donation optimization.
- Analyzed donor datasets using pandas and matplotlib to identify key patterns.
- Enabled targeted outreach strategies to improve donation campaign effectiveness.

Certifications

- Oracle Cloud Infrastructure (OCI) – July 2024
- Applied Machine Learning in Python – Coursera, Jan 2023
- Front-End Development Certificate – Great Learning, Nov 2022

Achievements

- Secured top 10% rank in AWS DeepRacer Student League and won a \$50 prize.
- Achieved 18th rank in CodeChef Code Invicta at VIT Bhopal.
- Ranked in the top 5% among 500 teams at a Hackathon held at Hacker House, Goa.
